Guide Name: Huy

This was a very heavy and emotional tour, but necessary.

Huy had incredible knowledge of the war, very objective perspective.

Bảo tàng Chứng tích Chiến tranh quá đông, khó nghe hướng dẫn viên nói.

Guide spoke perfect English, very clear and articulate.

Huy was respectful of the sensitive topics.

I felt the lunch break was too long, wanted more time at the museum.

Huy trả lời các câu hỏi về lịch sử rất thông minh và khéo léo.

The van driver was a bit reckless, scary driving.

Huy didn't seem to know the answer to my question about the year 1968.

Great tour for history buffs, Huy is a walking encyclopedia.

Chuyến đi bổ ích, Huy rất nhiệt tình nhưng cần cười nhiều hơn.

Reunification Palace was boring, but Huy made it interesting with stories.

Guide was on time and very professional.

Highly recommend Huy for anyone interested in the Vietnam War.

Huy had a very specific view on the history, which was interesting but maybe biased.

He smoked outside the van, the smell lingered a bit on his clothes.

Huy làm việc đúng giờ, nhưng không thân thiện lắm.

Guide was competent but lacked charisma.

Traffic was bad so we rushed the last stop, Huy did what he could.
